## Territorial News.

The Tucson Citizen of the 4th says that on the 26th ult., a Mexican, who was herding some stock within one and a half miles of Crittenden, was killed by Indians and four yoke of work cattle stolen and driven to the mountains. The next day, in Sonoita valley, about eight miles below Crittenden, John Whiteman was killed by the savages, and his wife made a narrow escape with but slight flesh wounds, made by a lance, in her breast and back and one hand. She literally outran the savages until she reached the house of Thomas Gardner with the injuries stated. Sonoita has been depopulated at times before, but it is so attractive and fertile that poor, brave men will seek it for a home with all its murderous history. John Smith and P. Megery, from the Santa Cruz, were in town early this week, but hearing of this, they hurried off home, expecting some of their neighbors would be slaughtered and robbed.

The Miner of the 27th has the following: "Joseph Akerman, G. W. Smith and O. P. Clack have been killed, and J. Callaghan badly wounded—these deeds being committed in three separate localities." The two murders in Sonoita valley and these three were committed about the same time, and make five known in one week. Much stealing is reported.

## Immigration Statistics.

## LIFE INSURANCE.

### SOUTHERN PACIFIC BRANCH OFFICE

OF THE OLD

### BROOKLYN LIFE INSURANCE COMPANY OF NEW YORK.

\$45,000,000 00 in Gold Invested  
for the Benefit of its

POLICY HOLDERS.

Policies Non-Forfeitable.

DIVIDENDS DECLARED ANNUALLY

Shall I lose my money if I fail to pay up? No.

Can I travel or reside when and where I choose? Yes; anywhere upon the globe, without written permit or the payment of extra premium.

The Brooklyn Life, and all other banking institutions in the world, will loan money on its Policies. Cash will be paid for all policies after the policy-holder makes two payments.

This is the only Company in the United States which gives a CASH SURRENDER VALUE ENDORSED and WRITTEN upon each policy, in dollars and cents; setting forth the amount in GOLD COIN, which will be paid for the policy upon each payment after the second.

What is said of the Brooklyn Life CASH SURRENDER VALUE and NON-FORFEITING feature:

"The Brooklyn Life is the first and ONLY Company that has done full and complete justice to the insured. It has given to a life insurance policy a certain adequate 'bank note' value. Such as the fruit of the savings of industry for a hallowed purpose ought to possess.—[Insurance Times, N. Y., January, 1869.]

The Brooklyn Life Insurance Company is unhesitatingly the best life company in the land.—[The Pioneer, Brighton, Iowa, February 12th, 1869.]

This plan (guaranteed surrender value) removes the sole objection existing to making an application for insurance. Each policy becomes a piece of negotiable paper, as easily transferable as a registered Government bond.—[Boston Post, Boston, Mass., January, 1869.]

A policy in the Brooklyn Life is worth so much in ready money, and can be used as collateral security in carrying on business transactions. A young man may raise money to complete his education, or to buy a stock of goods, or tools, or a farm—by insuring his life in the Brooklyn Life, and assigning his policy as contingent security.—[Dispatch, St. Louis, Missouri, January, 1869.]

All medical examinations are free.

Applications will be received and medical examinations made at the Drug Store of George Martin, on Main street, Arizona City.
